

Saturday 15th June

...Love your Neighbour as Yourself...

Mark 12:31

Could you give your neighbor a helping hand?

N2N was initiated by a group of pastors who were inspired by the neighbourly love expressed during the difficult times of the Queensland flood and cyclone Yasi. Their desire is to see local Churches and Christian Ministries unite for the purpose of demonstrating the love of Jesus Christ to the people of Townsville.

'Demonstrating the love of Jesus Christ'

'Your support and help is vital'

N2N is a project designed to provide practical help for people in Townsville who find it difficult to manage general household tasks on their own. Such tasks include dusting, vacuuming, sweeping, cleaning bathrooms or kitchens, and general garden work including lawn mowing. This is a free service, therefore your support and help is vital for the success of this project. You can participate by signing up as a volunteer to help with any of the above tasks. This is planned for Saturday 15th June.

N2N Project has the full support and cooperation of the Townsville City Council. They have been involved in the background work for this program and will supply the names of the homes requiring assistance.
